

TV Ministry

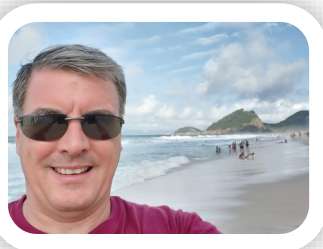

The church has a large TV ministry which reaches thousands of people.

The TV programme went out live and there was a good response from viewers phoning. The photo shows Apostle Daniel with Ivan translating.

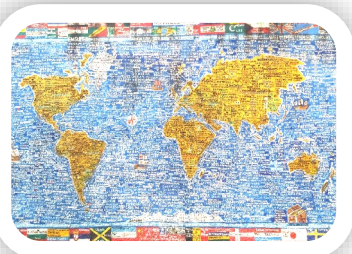

Rest in Rio

After ten days of ministry in Sao Paulo, Bariri and Rio, we were able to enjoy a couple of days to see the sights of Rio.

It was a real blessing to see The Statue of Christ the Redeemer, Sugar Loaf Mountain and the Copacabana Beach. Thank you Lord for your goodness.

Please Pray With Me

The street art in Rio is amazing. The map (left) was painted on a wall near to our hotel. A close up look shows 1000s of names on it. For me it is a reminder to continue to pray that every person in the world will respond to the Good News of Jesus Christ. Please pray with me.

Reaching the Lost, Teaching the Found, Helping the Needy

PAUL DUCKWORTH MINISTRIES

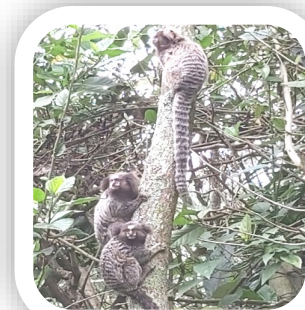

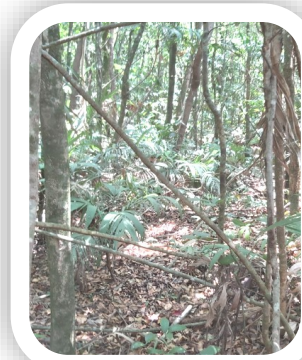

Brazil Mission - 2019

As a child I remember seeing the statue of Christ the Redeemer on TV and thinking how big Jesus is. Now 50 years later God brought me to Rio de Janeiro to see the statue for myself.

It was a privilege to minister with my good friend Ivan Segovia and two new friends from Canada, Lloyd and Lisa Ninaber (photo above).

Brazil is an amazingly diverse country with many different climate zones, time zones and cultures. We were able to go for a walk in the jungle (and see all kinds of wildlife).

Of course, the priority was to minister the Word of God. We saw 100s of people saved, healed and filled with the Holy Spirit. Thank you Lord.

On Fire

We had been asked to minister at the national 'On Fire' conference in Lençóis Paulista; a four hour drive from Sao Paulo. The conference was three days long with 15 teaching sessions.

At the first session I taught a message about the 'Power of Praise' showing that our praise is a response to our faith level.

The next session I spoke about 'The Fire of the Holy Spirit' and how we must put a sacrifice of praise for the fire to fall because fire doesn't fall on an empty altar.

My third session was about 'Walking from Death to Life' based on Lazarus being raised from the dead.

At every session there was an altar call and many people were either saved, healed, filled with the Holy Spirit or set free from addictions. God is good; all the time.

In one of the churches we were at I was able to teach on 'Our Effectiveness for the Kingdom of God'.

In another church, I saw a model of the Ark of the Covenant (photo left) and so preached on the 'The Power of the Ark'.

Rio Reach Out

When I first became a Christian I spent 15 years doing street evangelism in Liverpool.

It was a real blessing to spend hours every day in Rio reaching out to the lost, the lonely, the needy and the hurting.

The streets and beaches were full of people who had no place to call their home.

It was heart-breaking to see families including small children begging on the streets and on the beaches.

We were able to pray for many people and give food to those in need. There is so much to do.

The Local Church in Rio

It was good to connect with the local church just across the road from our hotel.

We were warmly welcomed and able to share the work with them.

Helping the Helpless

On our last evening in Rio we went out on the streets with food for the needy.

After giving lots of food to a needy family, the little daughter went up to Lisa to give her a big hug. After praying for the family we left with tears in our eyes. Sometimes we don't need words of love, only actions of love.
