

Ministry in Tallinn

After a three hour bus journey I thought I could relax before ministering in Pastor Mart's church on the final evening of the mission. However, I was taken to record a 30 minute TV show which will be screened on a Christian TV network across Europe with a potential viewing audience of 600 million people! Then I had an hour radio interview which was to be translated into many European languages and aired on several radio stations and the internet.

It was a joy to minister at Pastor Mart's church which is right in the middle of Estonia's capital city, Tallinn (see photo above).

"Faith To Receive Your Miracle (And Keep It)" in Russian!

While I was praying in Narva the Lord impressed upon me the need to get the message of healing to as many people as possible. To help to achieve this I am embarking on a project to translate my booklet **Faith To Receive Your Miracle (And Keep It)** into Russian. This will take some time and cost about £1000 for 1000 copies of the booklet which will be distributed free of charge to Russian-speaking pastors in Estonia, Russia, Belarus and Ukraine.

Reaching the Lost, Teaching the Found

Meeting With Miracles

The Ministry of Evangelist Paul Duckworth

Estonia Mission May/June 2011

Ministry in Narva

One of the first things to strike me about Estonia was the people who are so hungry for the word of faith which saves, heals and delivers. This wonderful country was formerly part of the Soviet Union and is now open to the Gospel.

My host was Pastor Vladimir Sednev, (pictured above right translating for me in his church). He is a humble man of God who has become a very dear friend in a short space of time. He arranged several meetings for me in his home town of Narva (on the Russian border), and in other churches in the small town of Kohtla-Järve, and the capital city, Tallinn.

Salvation and Healing

In total 88 people were saved in the three Gospel meetings in Narva! Thank you Jesus. These three meetings will be shown on a Christian TV network in Eastern Europe which broadcasts in several countries including Russia, Finland, Latvia and Poland.

Literally hundreds of people were healed. One lady had scoliosis and I could feel her spine bent out of shape. After asking her to touch her toes her spine clicked and she shouted; she then looked up at me and shouted with delight. She danced a jig, twisted her whole body and ran around the church. Awesome.

More Ministry in Narva

There were many people who were healed from breathing difficulties brought on by a lifetime of cigarette addiction, and others were healed from arthritic conditions. Some people with partial sight had their sight restored and one lady was healed from deafness in both ears. The amazing power of God was clear for all to see.

Radio Interview

I was asked to share my testimony of healing from fibromyalgia on the radio (see picture left). This broadcast was recorded and will be transmitted to many countries in Eastern Europe including Russia, Belarus and Ukraine. Literally millions of people will hear the power of the Gospel.

Thank you Jesus!

The Widow's Five Euros

However, the most moving time was when I was hugged by an old widow who put a €5 note in my hand. She was healed from deafness and was so grateful to God that she gave all she had! This money was all she had and would have fed her for a month.

Pastors in Need

If you have supported this ministry for some time you will know that I have a desire to help pastors in need in developing countries. Pastor Vladimir and his wife Natasha have nine children and live on an annual income which most of us would earn in a month. Due to the generosity of the supporters of this ministry I was able to give him a financial gift which was able to pay a large utility bill and provide some luxuries for his children.

Narva and WWII

During WWII Narva and the Russian city of Ivangorod (on the opposite side of the River Narva) suffered terrible destruction. Many thousands were killed in fierce fighting. The photograph on the right shows the imposing fortress in Ivangorod, just a stone's throw from Narva Castle.

Ministry in Kohtla-Järve

I was driven to the small town of Kohtla-Järve where I was asked to minister in Pastor Oleg's church. Like Pastor Vladimir, Pastor Oleg is a humble man of God.

The church met in a local school where about 80 people gathered to hear the saving and healing Gospel of Jesus Christ. The photograph left shows Pastor Oleg translating for me. The full Gospel was preached and six people responded to the message of salvation. Praise God.

The Lord poured out His power and we saw many wonderful miracles of healing. The photograph right shows this time of ministry when dozens of people received their healing.

One lady had difficulty walking because her feet were deformed. The Lord miraculously touched her feet and she was able to run and jump! Another lady had partial vision but the Lord restored her sight.
