

Faith To Receive Your Miracle (*And Keep It*)

When I was in Narva a couple of years ago the Lord impressed upon me the need to get the message of healing to as many people as possible. To help achieve this I embarked on a project to translate my booklet **Faith To Receive Your Miracle (*And Keep It*)** into Russian.

Because of generous donations from supporters of this ministry I was able to get the booklet translated and gave 100s of copies to Pastor Vladimir to distribute them *free of charge* to Russian-speaking pastors. These are still being distributed to pastors in Estonia, Russia, Belarus and Ukraine.

Pastors In Need

If you have been following the work of this ministry for some years you will know about the 'Pastors In Need' programme which reaches out to pastors in many nations including India, Rwanda and the Congo. During this mission to Estonia I was able to help Pastor Vladimir and his church with a gift of over £400. Thank you for your support.

Reaching the Lost, Teaching the Found, Helping the Needy

PAUL DUCKWORTH
MINISTRIES
MEETING WITH MIRACLES

**Estonia Mission
May/June 2013**

Reaching the Lost

Pastor Vladimir Sednev, the pastor of Word of God Church in Narva, does a wonderful work of reaching the lost. Much of this happens through the church's TV ministry.

Most sermons are broadcast live on the internet and then edited for Life TV, a Christian satellite channel which has a potential viewing audience of 600 million.

Two of my messages were recorded for TV (photo above with Pastor Vladimir, photos left and below with his son, Daniel). It is estimated that 60 million people will have heard the Gospel through these two sermons!

In total 58 people were saved at the meetings and many miracles were seen as the truth of the Gospel was preached.

Reaching the Lost, Teaching the Found, Helping the Needy

The man shown left had suffered from long-term severe back pain and had been unable to move freely. He was healed and able to bend over and touch his toes.

One lady had an arthritic neck and was unable to move her head properly. She demonstrated her healing and was able to move her neck and twist around (photo right).

The photo left shows Pastor Vlad-

mir interviewing a man who had severe arthritis in his legs and couldn't walk unaided. After the power of God touched him he ran around the church twice!

Many other miracles were seen.

- One lady (below) was healed from deafness in her left ear.
- Another lady had nerve damage because of a broken wrist and couldn't move her hand properly. She was able to make a fist and pick up things.
- A lady had a lump in her neck the size of a golf ball which shrunk to nothing.

Teaching the Found

I was able to minister in Narva and in Pastor Oleg's church in the town of Kohtla-Järve.

In one meeting I taught about the baptism of the Holy Spirit and we saw several people baptised in the Holy Spirit and begin speaking in tongues.

The photo above shows me ministering at a youth meeting. About 40 teenagers heard me share my testimony and teach on 'Making Right Choices'.

In the meetings hundreds of people were taught messages about faith and healing and how to live a victorious Christian life.

Helping the Needy

Pastor Vladimir runs a monthly evangelistic meeting after which the poor and homeless are fed with a good meal (photo right) and then provided with a food parcel (photo below). In the meeting I attended over 100 needy people were fed.

For those in need the church has a large supply of good quality clothes which it distributes free of charge. The church also has a supply of furniture which it provides to families in need.
