

Pastors In Need

This ministry's 'Pastors In Need' programme reaches out to pastors in many nations such as Estonia, India, Rwanda and the Congo.

Thanks to many generous donations I was able to help Pastor Vladimir personally and give a gift to help install a fire escape in his church so it complies with EU regulations.

Helping Others to Help Others

It is wonderful to be able to support other ministries reaching out to the lost. Pastor Vladimir's church reaches out into the community providing a soup kitchen to feed the poor and homeless. Because of generous support over 150 homeless and needy people have been fed both physically and spiritually.

The photograph above shows some of the homeless and needy being fed through your support.

When this homeless man (photo right) heard I was from Liverpool he started a medley of Beatles songs - of course I was happy to bless him with quite a few Euros (more than he would normally get in a week). God is good.

Estonia Mission - Spring 2015

It was a joy to return to Narva in Estonia for the fifth time to minister in many churches and to see my good friend Pastor Vladimir Sednev (photo right with his wife, Natasha).

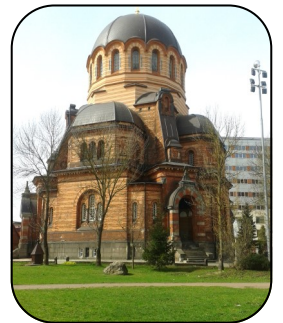

This mission was not an evangelistic mission as many others have been but was to encourage and bless the church.

As the Apostle Paul said in Acts 15:36 "Let us go again and visit our brethren in every city where we have preached the word of the Lord, and see how they do".

Narva is just across the river from Russia. The photo above shows the view of Russia from Pastor Vladimir's riverside house.

In Narva there are many historic buildings and orthodox churches like the photos shown left and right.

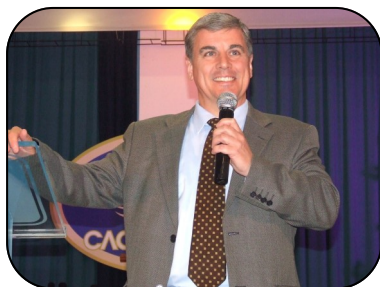

Passion For Jesus

I was so happy to be on this mission with my good friend Mark Curtis from *Passion for Jesus Ministries* in Bolton. Mark is a wonderful communicator with a heart for church planting and missions. The photo left shows Mark preaching in Pastor Vladimir's church.

Meeting With Miracles

Whilst the purpose of this mission was not overtly evangelistic God is a God who wants people both saved and healed. it was a joy to see eight people respond to a message which was not evangelistic.

Boris was deaf in his right ear but God healed him. After ministering to him I told him to take out his hearing aid because he didn't need it any more. The photo left shows Boris holding his hearing aid completely healed.

As well as ministering in Narva I was able to return to minister in the towns of Kivioli (Pastor Alan) and Kohtla-Jarve (Pastor Oleg).

I was also invited to minister in the town of Sillamae. (Pastor Valentine). In all churches I taught messages about living a lifestyle of faith and the need to continually speak the word of God.

Helping the Needy

It was a privilege to visit an isolated rehabilitation centre run by Christians to help alcoholics and drug addicts recover from their addictions.

During this time I was able to share my testimony with the recovering addicts and to pray for them.

The photo above shows the centre manager, Andrei who took us on a tour of the facility.

The photo left shows a broken gate with two damaged Russian helmets on the gateposts - a reminder of the tens of thousands of Russian soldiers who lost their lives in a battle in WWII.

In the centre the recovering addicts work on the land looking after many animals such as pigs, chickens and sheep. The centre is almost self-sufficient with crops being planted and a fishery being started (photo below).

The photo above right shows a typical bedroom for the recovering addicts.

It is an honour to be able to support this work and to help those who are so in such need of God's love.
