

## Faith To Receive Your Miracle (*And Keep It*)

When I was in Narva last year the Lord impressed upon me the need to get the message of healing to as many people as possible. To help achieve this I embarked on a project to translate my booklet **Faith To Receive Your Miracle (*And Keep It*)** into Russian.

Because of generous donations from supporters of this ministry I was able to get the booklet translated and gave 400 copies to Pastor Vladimir to distribute them *free of charge* to Russian-speaking pastors in Estonia, Russia and Ukraine.

When I was in Russia I was able to give additional copies to Pastor Alexander to distribute to pastors in Western Russia.

## Pastors In Need

If you have been following the work of this ministry for some years you will know about the 'Pastors In Need' programme which reaches out to pastors in many nations including India, Rwanda and the Congo. During this mission to Estonia and Russia I was able to give almost £500 to help Pastors Vladimir and Alexander and their churches. Thank you for your support.

## PAUL DUCKWORTH MINISTRIES MEETING WITH MIRACLES

### Mission to Estonia and Russia June 2012

## Narva, Estonia

It was wonderful to minister at Pastor Vladimir's church again in Narva. *Word of God Church* is a lively charismatic church of about 300 people who do so much reaching the poor and homeless of Narva. Every week they run several soup kitchens and provide hundreds of food parcels and clothes to the community.

The photo right shows me preaching in *Word of God Church* in Narva. The photograph below shows the congregation.

I preached messages on *Principles of Faith* and *Having a Godly Self Image*. At an evangelistic meeting 20 people responded to the message *Making Right Choices*. It was wonderful to see the power of God in operation.

## God of Miracles

The awesome power of God was present as many in the church were healed. One lady who had blurred vision testified that her sight was fully restored. The two babushkas pictured right testified that they were both healed from arthritic pain.

## More Healings

Other people testified that growths and skin rashes had disappeared.

### Olesja Fjodorova's Testimony

Last October when I was in Narva I ministered to Olesja Fjodorova's (pictured right). She was suffering from Turner's Syndrome which is a genetic condition causing stunted growth. Olesja sent me her testimony. These are her own words: *"Thank you very much for your advices how to receive healing. It really works. I have a congenital disease – Turner's Syndrome and very small growth – 128cm [4 feet 2 inches]. I very much wanted grow up and through belief, at me it turned out. When I last time was at the endocrinologist, to me told that the thyroid gland and a hypophysis began to work for me more better and measurement of growth showed that I grew on 2cm and I think, thank God, I will still grow."*

### From Russia With Love

I was able to minister in the town of Kingisepp across the Russian border from Estonia. It is an old town with a rich history. The photograph left shows St. Catherine's Russian Orthodox Church.

Walking across the border from Estonia to Russia was like something from an old espionage movie (the Russian word for spy is *spion*).

Alexander Panteleev is the pastor of *Jesus is Lord Church* (see photo right). This church does an amazing work reaching out to drug addicts and alcoholics. They have seen many lives transformed and saved through the love of Jesus.

The photograph left shows some of the congregation of *Jesus is Lord Church*.

I preached two messages called *Faith in the Middle of the Storm*, and *the Power of the Blood of Jesus*.

### Reaching the Lost

Whilst in Russia I was invited to minister at two drug and alcohol rehabilitation centres. One was in a former psychiatric hospital, the other in a former Soviet military base (see photo right).

It is amazing to think that this same military base would have spearheaded a Soviet invasion of Europe back in the 1960s or 70s. Now it is being used as a spiritual base by Christians reaching the lost in Russia!

Both rehabilitation centres accommodate about 100 people.

(The photo above shows me ministering in the former Soviet military base with Pastor Alexander translating. The photo right shows people at the rehabilitation centre).

A total of 49 people responded to the Gospel at these meetings.
