

### Pastors In Need

This ministry's 'Pastors In Need' programme reaches out to pastors in many nations such as Estonia, India, Rwanda and the Congo.

Thanks to many generous donations I was able to help Pastor Gilbert buy seven new bicycles for pastors (photos right and below).

A lot of pastors have to walk for miles to visit their congregations so a bicycle is a real asset to their ministry.

This ministry was also able to bless many pastors with shirts, ties, toiletries and teaching resources. Thank you for your support.

### Helping Others to Help Others

It is wonderful to be able to support other ministries reaching out to the lost. Pastor Gilbert's wife, Odette has a ministry reaching out to young prostitutes. She teaches them to make jewellery from paper (photo right) which they can sell instead of selling their bodies. Many have come to salvation through this work. Through your support I was able to give £200 towards this work.

*Reaching the Lost, Teaching the Found, Helping the Needy*

### Rwanda Mission 2014

It was a joy to return to Rwanda for the fourth time to minister in crusades and in many churches and to see my good friend Pastor Gilbert Habimana (photo right).

### Reaching the Lost

This ministry's main focus is to reach the lost.

The photo left shows some of the 5000 who attended the crusade at Muyumbu where over 500 people gave their lives to Christ.

The photos right and below show another crusade in Muyumbu where my message was "Zacchaeus God Knows Your Name". It was great to see children climbing the trees to see just like Zacchaeus.

Over 5000 attended this crusade and 1500 people gave their lives to Christ.

In total we saw over 2300 respond to the Gospel and incorporated into the local church where they are being discipled by the local pastors.

*Reaching the Lost, Teaching the Found, Helping the Needy*

Of course it is wonderful to see 1000s saved but I was moved by one lady's testimony of salvation. The lady in the photograph left was about to commit suicide when she heard me preaching. She came into the church and gave her life to the Lord - awesome!

### Meeting With Miracles

Many wonderful miracles were seen. The lady shown right had been unable to speak for several months but after she responded to a word of knowledge her voice was restored.

The lady pictured left had suffered from an issue of blood for several years which stopped immediately when the power of God fell on her.

The man in the middle of the photo right had been blind for many years but his sight was miraculously restored. He is holding a mobile phone which he was able to read from.

The man holding the microphone is showing how he can move his leg which is amazing as the previous day he had broken a bone in his leg and couldn't walk unaided. Now he can walk and run without any pain.

These are just a few of the miracles!

### Teaching the Found

It is always a blessing to teach the word of God especially where there is so much hunger to know the Bible.

I ministered in several churches in and around Kigali encouraging and inspiring the congregations (right and below).

I taught many messages including *It is Well* - the significance of our confession; *When the Praises Go Up* - the power of praise; *Fix Your Eyes Upon Jesus* - the importance of our focus; and *Having a Godly Self Image* - how to see ourselves as God sees us. Some of these were recorded and broadcast on the Kigali Christian Radio Station.

### Training Evangelists

I was honoured to know that my previous missions to Rwanda had inspired many to attend a course on evangelism. It was a great privilege to present certificates to those who completed the course (photo right).

### I Will Build My Church

Jesus said that He would build His church. Thanks to the generous financial support to this mission a gift was given to help Stone Church with their new building project.

The photos above and right show the mud bricks being made to build the church. Each brick is a gift of love from you. Thank you.
